Data Traceable to  
 NIST Certified<sup>1</sup>  
 Chilled Mirror,  
 Buck Research  
 Model CR-1A,  
 Serial #07  
 measuring range:  
 (-120°C to +30°C)

We hereby certify that the analyzer detailed above has been tested and calibrated by the undersigned, and its performance was found to meet our specifications unless noted otherwise in the comments section.

For and on behalf of PhyMetrix Inc.

For Quality Assurance Manager

Note: 1. For Chilled Mirror Certificate refer to the attached Manufacturer's Certificate
